

Isaiah 46:9 Remember the former things of old: for I [am] God, and [there is] none else; [I am] God, and [there is] none like me,
46:10 Declaring the end from the beginning, and from ancient times [the things] that are not [yet] done, saying, My counsel shall stand, and I will do all my pleasure:

Review: Role of the USA

Adventist understanding on closing scenes are wrong. The view on the UN is wrong

3 men:	Trump	Putin	Francis
--------	-------	-------	---------

- Russia is resisting the agenda of the US.
- It's not about morality - it's about the prophetic role these countries play.
- The Bible does not concern itself with conspiracy theories. It's not about the NOW, Masons, Jesuit infiltration

God's church today:

Isaiah 1:6 From the sole of the foot even unto the head [there is] no soundness in it; [but] wounds, and bruises, and purifying sores: they have not been closed, neither bound up, neither mollified with ointment.

Ecclesiastes 1:9 The thing that hath been, it [is that] which shall be; and that which is done [is] that which shall be done: and [there is] no new [thing] under the sun.

Revelation 1:8 **I am Alpha and Omega, the beginning and the ending**, saith the Lord, which is, and which was, and which is to come, the Almighty

Not only is he the beginning to end or He controls past & future - it's more than that

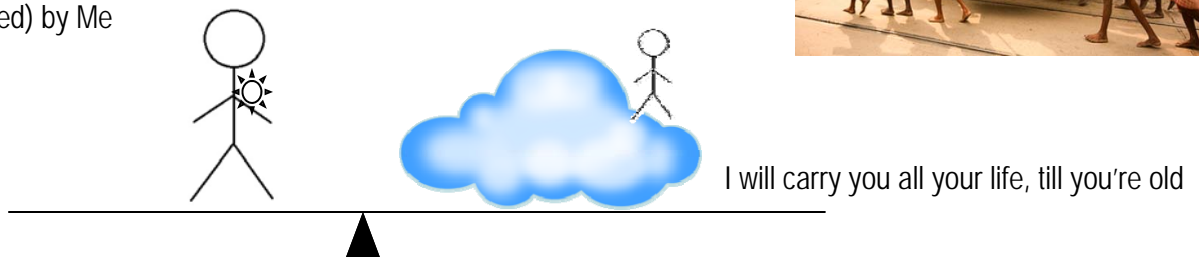

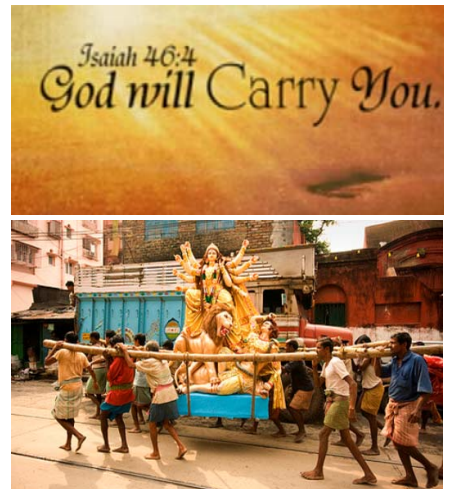

Isaiah 46:9

Comparison technique used over and over again

No God like me Compare Me

Rev 13	Beast/Sea Ferocious	Beast/Earth gentle
--------	------------------------	-----------------------

Vs 5 to whom will you liken Me?
Vs 6, 7, 1-4 Bel & Nebo = idols
Compare Me to idols; they carry their idols on their shoulders
They carry their idols on carts
You have to carry your idol
Compare: vs 4 I will carry you
Vs 3 borne (carried) by Me

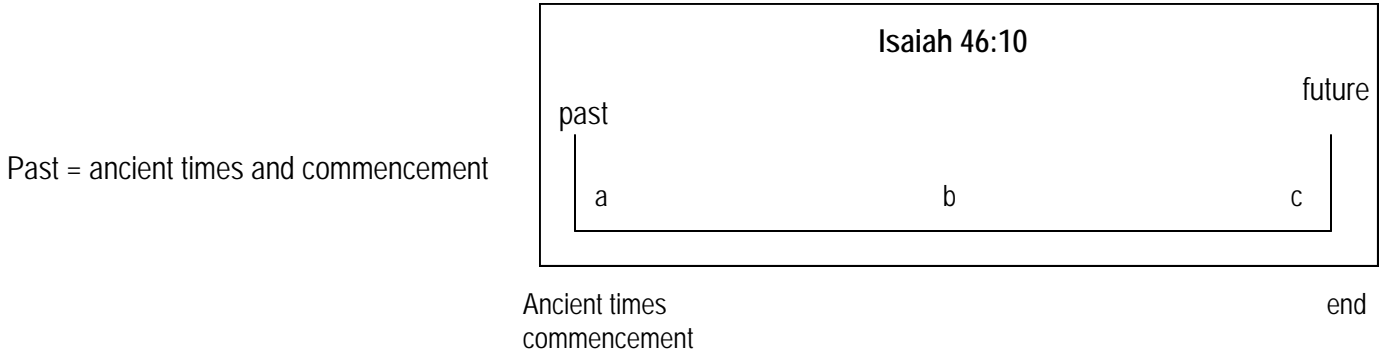

Comparison between True and false

9 none like Me

10 ability to declare the end from the beginning: able to predict the future

1-8 - who carries who? Satan knows us well and can predict based on our actions—he knows how to tempt us

My counsel will stand, I will do all My pleasure

No Jesuits in our church—it is a false understanding

Francis - 1st Jesuit Pope

Catholic church in civil war - **conservatives** of John Paul vs Pope Francis (liberal, **Jesuit**)

Isaiah 46 there are 2 gods - True and a false
 True God predicts in a special way

Where is Isaiah? A B C ?
Past **present** future
 More than 100 years before destruction of babylon

Isaiah 45:1 Cyrus His anointed

47:1 virgin daughter of Babylon, sit on the ground, there is no throne

Dan 2 & 3—what's the difference: 2 stature = different materials 3 stature all gold

Nebuchanezzar is the head—then Babylon ends

Chapt 3 he says I'm going to have children etc to the feet

Babylon = a virgin - virgins don't have any more children = **the final generation**

144,000 Rev = virgins - **the final generation** (they have been defiled)

Daniel and his friends are made eunuchs—they can't have children - **the final generation**

Who brings Babylon to it's end? = Cyrus the Persian
= his uncle: Mede - Darius

Dan 5 Babylon destroyed by Cyrus and Darius

Isaiah written over 100 years before

46:11 I **will do it** = **future**

Bring it to pass = **future**

God is going to call a bird (bird of prey) from the east (a far country)

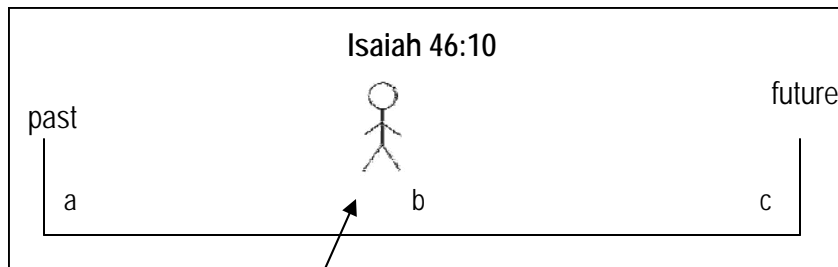

east

= man
 = far country

46:11 Calling a ravenous bird from the east, the man that executeth my counsel from a far country: yea, I have spoken [it], I will also bring it to pass; I have purposed [it], I will also do it.

I have spoken it
 Written at 'b'

A B C ?
 *destruction of an empire

150 years in the future

God says "I spoke" at beginning; bird will eat Babylon
 Worship the God that carries you and can predict the future

Who is the man that comes from a far country?
 Rev 16 2 kings from the east; dry up the river

Darius M/Cyrus P = 2 men destroy Babylon
 47:1 man = Cyrus E = far country
 Their function or job = to destroy and empire
 What empire? Babylon
 When Isaiah wrote this, was Babylon an empire?
 The super power was Assyria
 Babylon was not powerful

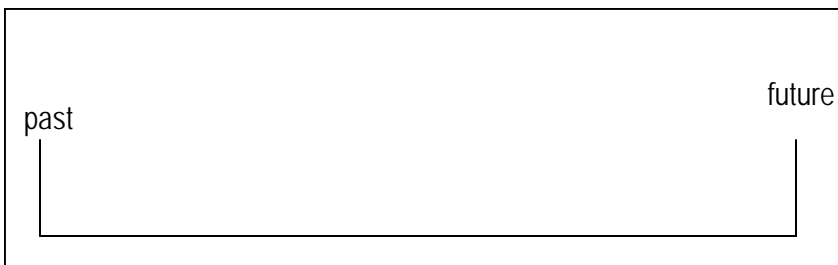

God declared it at the **BEGINNING**
 He predicts the future

man
 far country

Destroyed an empire
 In the beginning

Who is this man?
 Declaring Cyrus, destruction of
 Babylon by the beginning

Ancient times

man
far country

Destroyed an empire
In the beginning

Who is this man?

Declaring Cyrus, destruction of
Babylon by the beginning

Moses = man
Empire = Egypt
East = far country
Plagues destroyed Egypt (empire)
Egypt /Babylon
Same story
Exodus/destruction of Babylon
End is coming/beginning already happened
Cyrus/Babylon Moses/Egypt

Moses killed the Egyptian, went to Arabia, burning bush etc
God said go back to Egypt—west of Arabia - in the east
They are not going to believe you—start sending plagues to destroy the empire of Egypt
The story of the Exodus is the same story of Cyrus and destruction of Babylon
Important Bible principle to understand prophecy/end time events
God has already declared end from the beginning — that’s how we don’t make mistakes in predictions at the end

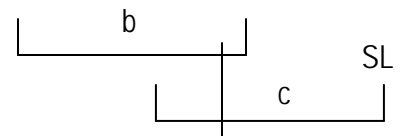

Isaiah 46:9-11 no infiltration in the beginning—none at the end
No Jesuits infiltrating the church
We run after the world, we destroyed ourselves
Outside people didn’t destroy us
We went to their institutions
We bow down to their gods
We openly invite them to our pulpits

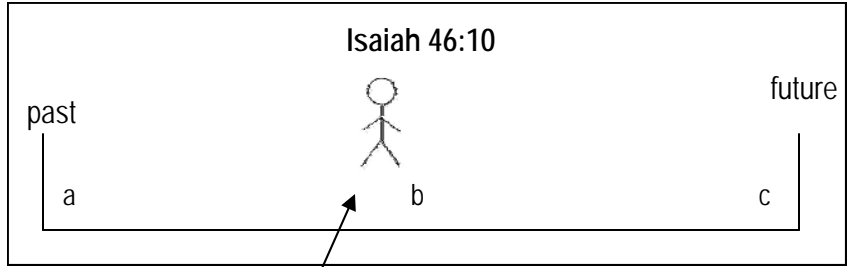

We need to worship the True God - the God that carries us

To know what has gone wrong in our church, of how the world will end—God has already told us in the past
The fall of pagan Rome and the rise of Papal Rome
3 things given Power Seat Authority
 Military Crown religious
 Dictatorship

It happened over 1500 years ago
If you want to know what happens at the end, go back to the story of pagan Rome—the transfer of power and papal Rome will rise again

Papacy killed God’s people - Rev 13, if you don’t obey, if you do not receive mark of the beast, you’ll be punished by man
They will destroy your body
538 conference in France—city of Orleans—brought in a Sunday law
This history is what’s going to happen at the end of the world—it’s about to begin
God tells us at “b” what already happened at “a” - what will happen at “c” - the end
